Options

- S.A.M. Pricelabeler
- Cheese Transport-System
- Targetweight-App.

Weight & Dimensions

Net Weight	146 kg (322 lbs)
Dimensions (L x W x H)	1850 x 1040 x 730 mm (72.8 x 41 x 28.7 inches)

Electrical Data

Supply voltage/frequency	120V / 60Hz
Current consumption 1~ / 3~	7.57 A
Power outlet fuse	min. 13 A
Network ports	1 x Ethernet

Mechanical Data

Knife Diameter	300 mm (11.8")
Max. product feed drive	400 mm (15.7")
Max. product size W x H	150 mm or 220 x 150 mm (6" or 8.7" x 5.9")
Slice thickness	0.5 - 7 mm (0.02 - 0.3 inch)
Slicing speed	30 - 55 slices / min

More Data

Noise Level	< 70 dB(A)
Environment humidity	30-80% not condensing
Temperature range	+5°C to +35°C (+41°F to +95°F)
SamPak format	21 x 21 and 21 x 26 cm (8.3" x 8.3" and 8.3" x 10.2")
Sealable fiilm layers	4
Max. SamPak height	18 mm
SamPak output	150 SamPaks / h

This device complies with CE safety and hygiene regulations
